

DevAsMuslim

Code with purpose, faith with heart.

✉ masikaabduli@gmail.com

Objective:

To create and foster a community of Muslim developers and technology enthusiasts who are inspired by Islamic values and principles.

Description:

DevAsMuslim is a YouTube channel dedicated to exploring the intersection of being a Muslim and a developer. Our mission is to create a space where Muslim developers and technology enthusiasts can come together to learn, share, and grow in their understanding of how technology can be used to make a positive impact in the world.

Key Skills:

- Expertise in coding and software development
- Knowledge of ethical issues in technology and the ability to apply Islamic principles to guide decision-making
- Strong communication skills, both verbal and written
- Ability to connect with and inspire a diverse community of Muslim developers and technology enthusiasts

Experience:

- Created and launched DevAsMuslim YouTube channel in 2023 April 13.
- Produced and uploaded many of videos on topics related to Muslim identity, software development, and ethical issues in technology.
- Hosted interviews with many of Muslim developers and technology leaders
- Collaborated with other creators and channels to promote the growth and reach of the DevAsMuslim community

Education:

Freelance Software Developer.

Interest:

- Keeping up-to-date with the latest developments in the tech industry.
 - Participating in community events and meetups related to technology and Islamic values.
 - Contributing to open-source projects that align with our mission and vision.
-
